Data Processing

The cost of data processing is dependent on the scope of the work. Please contact us to discuss your needs.

Research Consultancy

*The cost of research consultancy is dependent on the scope of the work. Please contact us to discuss your needs.*

Workshops	Instruction and Materials	Other Costs
	From $500/day	Expenses[d]

a Please note that depending on the current levels of demand, we may not be able to accept Express Service requests for documents >6000 words or very long and/or complex figures, or conference presentations.
b Editing of references and tables is charged at the same per word rate. Premium Editing includes a free check of journal instructions (where appropriate), and a pre-submission proofread. This proofread applies only to the manuscript originally edited by Tornillo Scientific and assumes that no substantive additions have been made to the document. Should the manuscript contain more than 10% new text, full rates will be charged for review of the new sections.
c The cost of creating scientific illustrations (e.g., figures for manuscripts or other materials) depends on the scope of the proposed image. Please contact us to discuss your needs.
d Expenses include economy class travel costs, accomodation (where necessary), and subsistence for each full day or part thereof.

Document Formats

We accept documents in a variety of formats, including: Word, Pages, LaTeX, PowerPoint, Keynote, Illustrator, Excel, and Numbers. If you wish to submit documents in any other format, please contact us.

Payment Methods

Payments should be made through our secure online payment system (powered by Stripe). We accept all major credit and debit cards, as well as PayPal. Details on how to pay will be sent to you once you have accepted our quotation for your work.

Payment should be made in full before the completion of work. Completed jobs will not be released without payment.

Discounts

At Tornillio Scientific, we believe that: (a) it is important to build long term relationships with our clients, and; (b) that all scientists should be able to share their research with the world, regardless of their personal or professional economic position. To this end, we offer a number of discounts to eligible clients:

1. **Repeat customers:** For every completed full price service, we offer a 10% discount on the next submission from the same individual.

2. **Referrals:** If you have been referred by a previous customer, we offer a one-off 10% discount. .

3. **>10,000 words:** We offer a 10% discount on manuscripts of 10,000 words or more. Please note, that this only applies to documents that contain a single standalone manuscript (i.e., this discount will not be applied to files containing the text for multiple manuscripts).

4. **Low-income countries:** We offer a 10% discount to scientists and students working in selected low-income and low-middle income economies.

5. **Graduate students:** We offer a 10% discount to graduate students attempting to publish work that is not supported by a grant.
